

MYSTIC AQUARIUM

Group Guidelines

Thank you for supporting your group as they explore Mystic Aquarium! We appreciate you following the guidelines below and have included some tips for your group.

ALL TICKETS MUST BE PRE-PURCHASED AND AVAILABLE FOR SCANNING ON MOBILE DEVICES OR PRINTED.

Adults – The children in your care, AND their behavior, are your responsibility so PLEASE....

- 🐟 Adults are required to ***keep all minors under 18 in your group with you, within your view at all times.*** This includes upon entry and ***while shopping in the Aquarium store.***
- 🐟 Do not bring in ***outside food, gum or straws, as they are prohibited*** for the safety of our animals.
- 🐟 Ensure everyone follows exhibit rules and safety - we ask that all guests refrain from running, climbing on rocks, or leaning over exhibit railings.
- 🐟 Do not tap on exhibit windows or suspending objects over open exhibit areas. ***If something is accidentally dropped into an exhibit, please inform an Aquarium staff member immediately.***
- 🐟 Encourage your children to be considerate of other guests. Yelling, fighting, offensive language or unsafe actions must be contained immediately.
- 🐟 Mystic Aquarium is a ***tobacco- and vape-free environment.***
- 🐟 **First Aid:** In case of injury, please notify an Aquarium staff member immediately.
- 🐟 **Lost Children:** ***Please designate a meeting place in case of separation.*** Notify an Aquarium staff member of any lost child immediately.

Lunch Facilities:

- 🐟 ***Outdoor picnic facilities are available on a first come, first-served*** basis for use prior to entry or after your visit. Mystic Aquarium is not responsible for storing lunches.
- 🐟 ***The Saltwater Café*** tables inside the Aquarium are reserved for ***café patrons only.***
- 🐟 ***All MINORS MUST be accompanied by an adult if purchasing food in the café.*** Average cost for a value meal in the cafe is about \$10 plus tax.

Helpful Hints:

The Aquarium has both indoor and outdoor exhibits and is self-guided. Plenty of helpful interpreters will provide information about the animals and exhibits. ***An Aquarium map can be found on our website on the "Visit" page.***

We recommend you ***take a picture of the kiosk screens upon entering, as animal feeding times and show times change weekly.***

Some animals are available to touch and investigate in designated areas, such as Ray Encounters in the tent upon entrance, and Shark Encounters, Touch of the Tropics and Discovering Long Island Sound invertebrates, (all in the Main Gallery.) ***Note that there are times when these encounters need to be closed, so the animals can rest.***

Ask questions and enjoy!
